

Individual Program Plan (IPP) Appeal Process Board Policy

BP 403.8

Department: Programs and Services
Section: Special Education

The Annapolis Valley Regional School Board believes that all persons who share in the planning for a student's program need to be heard fairly and understood when they disagree with decisions made in relation to that student's program.

Therefore, the Annapolis Valley Regional School Board directs that a process which is accessible, straight-forward, and fair shall be available to all members of a Program Planning Team who wish to appeal decisions that relate to placement of students or to outcomes of existing or proposed Individual Program Plans.

Specifically:

- The Director of Programs and Services will be responsible for the implementation, monitoring and revision of the policy.
- The policy shall be reviewed annually.
