

You can now upload your bid submissions directly to

<https://www.myavrce.ca/tender/active>

- After downloading the tender documents using your personalized vendor account you will be able to securely upload your response to avrce.ca using the same vendor account. This is available for select Tender opportunities and will be indicated in the Tender Documents.
- Click to view the tender and there will now be a button 'submit a bid', follow the instructions on screen to choose and upload the file directly to avrce.ca.
- Files can be deleted and revised files added prior to closing date and time.
- Bids uploaded to avrce.ca are secure and only viewable by you, the vendor account that uploaded the bid and us, AVRCE Procurement Division Staff once the tender has closed.

[www.avrce.ca](http://www.avrce.ca) also has other valuable Procurement information, including how to do business with AVRCE and Procurement Division contact information.

And as always, the Procurement Division is available to assist vendors every step of the way, feel free to contact us any time.
